NO. OF ENCLS. (LISTED BELOW)  
SUPPLEMENT TO REPORT NO.

1. A ship repair yard, employing approximately 500 workers, is located near the mouth of the Danube River. Formerly known as the CED, it is now named DDM (Directiunea Dunarii Maritime - Danube Maritime Directorate). The main activity of this yard recently has been the repair of canal boats, barges and dredging equipment.
2. Machinery in the shops of the yard is German-made, and has been in use since 1945 when the Soviets removed the original British-made equipment.
3. Military maneuvers by the Rumanian forces were held near the Black Sea early in June 1951. Informant places the total figure of men engaged in the maneuvers at 5,000 infantry; this figure also includes some artillery personnel.
4. The attached sketch pictures the lay-out of shipyard, as well as the location of military barracks housing approximately 4,000 Rumanian soldiers.
